## Traffic patterns for pick up and drop off

All parents who drive their children to school are to enter the parking lot from Main Street (Route 219). If you want to walk your child to the front door, park your car in the lot and proceed to walk your child to the front door of the school building. If you are dropping off your child, enter the parking lot and proceed to the Church Street entrance, drop them off and exit slowly on to Church Street. If your child is getting picked up from school at the end of the day, please enter the parking lot from Main Street and park your vehicle. Mrs. Eckenrode and Mrs. Bishop will monitor the students leaving the building so they safely return to your vehicle. Once all students have been dismissed, you may exit the parking lot by the way of Church Street. Any questions, please call the office. Thank you!
