TUESDAY, SEPTEMBER 22, 2026

Hello Everyone,

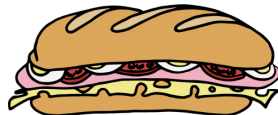

We are now over half-way through our first marking period of the 2026-27 school year! Please take the time to check your students' grades on PowerSchool to see how they are achieving.

Two of our 7th graders, along with Mrs. Lallemand and Mrs. Solnosky, had the opportunity to travel to Harrisburg and participate in the PA March for Life! This was an exciting and important event for students. Thank you to those who attended for standing up for our most vulnerable!

Fundraiser Updates

Gun Raffle tickets are due back to the office, sold or unsold, by the end of the week. Thank you all for your hard work in selling your tickets and making this fundraiser a success!

Important Reminders

As the weather gets colder, please remember to send your students with a jacket or sweater.

At this point in time, students are asked to only wear pants, or their jumpers/skirts with tights underneath. If we have a day with weather nice enough for shorts, a phone call will go home the night before allowing students to wear shorts.

Please check the rest of the office folder for a special note on the change of dismissal.
